1. Treasurer's Report

Thank you to all for responding to the e-mail re: dues.

Report was reviewed.

There were no extraordinary expenses.

2. Coach's Report

Power will be off in the east side of the building the weekend of 1/13-1/16 due to construction. All practices have been moved to Northside.

3. January Invitational

We are expecting over 500 swimmers and their families.

Meet set up will be: Thursday 1/19 @ 4pm

The biggest volunteer need at the moment is Friday night. Jennifer will have another e-mail calling for volunteers sent out. An e-mail was sent out to North High School swim parents asking for help.

Due to North High School basketball games, Donner will not be providing concessions Friday night and must be cleared out by 4pm on Saturday. Concessions will be available Friday night, but provided from the basketball

game. Also, Hospitality will have limited use of the concession area. Hospitality is preparing for as many as 40 coaches and officials on Friday and 60 on Saturday/Sunday.

Kastaway will be here all three days. Location of their display still in question so as not to interfere with access to the basketball court. Also, Kastaway may need to partially teardown both Friday and Saturday evenings. Meet shirt design is complete and we will be giving away club towels to high point winners this time.

Finally, parking will be an issue with both the swim meet and basketball games going on. Jennifer is planning to have a Marshall outside to help direct swim traffic to parking and pool entrance.

4. Walk-in items – All

Concern about parking and swimmer drop off was discussed. Jamie and Jeff will discuss both access to parking and lighting with Jeff Hester.

Jeff presented designs for Donner car window stickers. He plans to have generic stickers available at concessions for the meet and will also take customer orders for stickers with the swimmer names.

Jamie received several entries to name the Zone meet contest. He will send these out to the Board for voting. Stay tuned.
