- Concessions: Rachel Retrum/Raquel Contreras
- Activity Coordinators: Patrice Goble & Jamie Brinegar
- Vendor Chair: Beth Taylor

Donner Swim Club's first 2 home short course season meets were great successes! Senior State, Age Group State and Divisional cuts were achieved by many of our swimmers during both meets. The hard work at practice by the swimmers and their coaches is paying off early! We would also like to thank all the of the parents, grandparents, aunts, uncles, cousins who took time out of their weekends to help us host the meet and continue our long tradition of running meets efficiently.

Our next home meet will be the January Winter Invitational on January 20th-22nd. This meet will be a little different from the first two home meets. The January Invitational will have 5 sessions rather than 4. The first of the 5 sessions will be on Friday

evening, with the other 2 sessions run as usual on Saturday and Sunday. For this meet, we are going to rely heavily on our parents since our senior team parents who have swimmers at North and East will not be available. So, please step up and volunteer your time!

Mock Swim Meet for our Pre-Competitive Swimmers!

Mark your calendars! December 7th will be our annual pre-competitive team mock swim meet! This has always been a lot of fun and a good way for our pre-competitive swimmers to get a taste for what competing is like. Each swimmer races each stroke for 25 yards (one pool length). Everyone gets ribbons and treats.

We may even have one of our neighboring swim clubs join in the festivities!

Don't wait for your ship to come in ... swim to it.
