

Date of Birth Proof Refusal

Club should retain copy and parent should retain copy

I, _____, parent of
_____, am choosing to not provide proof of date of birth to my club. I understand this will result in my swimmer not being allowed to compete in USA Swimming or Indiana Swimming sanctioned competitions.

I understand that in order for my child to participate in these sanctioned events, proof of date of birth must be supplied. If I so choose, I can send a copy of proof to the Indiana Swimming office directly at 201 S. Capitol Ave, Indianapolis, IN 46225 c/o Michele De Luna (Indiana Registration Chairman). I may also scan a copy and e-mail it to Michele De Luna at michele@inswimming.org.

Proof of date of birth can be in the following forms:

1. Copy of State issued Birth Certificate.
2. Copy of passport
3. Copy of Driver's license
4. Letter from child's school stating legal name and date of birth.
5. If none of these are available, please contact Michele De Luna (michele@inswimming.org) for alternative forms of proof.
